

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN INVESTIGATION OF ELECTRIC RATES OF	)	
LOUISVILLE GAS AND ELECTRIC COMPANY TO	)	CASE NO. 10320
IMPLEMENT A 25 PERCENT DISALLOWANCE OF	)	
TRIMBLE COUNTY UNIT NO. 1	)	

O R D E R

On July 21, 1988, Louisville Gas and Electric Company ("LG&E") filed a motion requesting the Commission to postpone the informal conference scheduled for August 2, 1988. The conference was scheduled to afford all parties an opportunity to discuss the unresolved rate-making issues arising out of the Commission's decision in Case No. 9934, A Formal Review of the Current Status of Trimble County No. 1. LG&E states that because it has petitioned the Commission for a rehearing of the decision in Case No. 9934, it would be more appropriate to delay this conference until after a final disposition of Case No. 9934.

Based on LG&E's motion and being advised, the Commission is of the opinion and hereby finds that good cause exists to postpone the informal conference at least until after the Commission rules on LG&E's pending petition for rehearing in Case No. 9934.

IT IS THEREFORE ORDERED that LG&E's motion to postpone the August 2, 1988 informal conference be and it hereby is granted.

Done at Frankfort, Kentucky, this 29th day of July, 1988.
